**TOOL LIST – CARPENTERS**

**Classroom Tool Check Policy**

1. Required tools must be brought to each class attended.
2. "Required Tools" consist of:
  - a. Tools required at entry into the program
  - b. Tools required for current class week
  - c. **Tools required for all previous class weeks, whether the student has attended the previous class/classes or not.**

Tool check will be done on **MONDAY** of their RSI class week. Failure to complete a tool check on **MONDAY** may result in a fail grade.
